

BASINGSTOKE MOTOR CLUB

Chairman's Report 2016

Another busy, fantastic & successful year for the club.

My thanks to the very dedicated members of the committee who have tirelessly driven the club forward with their vision and hard work organising our activities.

Twelve events have been organised.

Five 12 Car Rallies, two of which were 100 milers.

Three grass autotests, one more than in 2015.

One motoring tour.

Club attendance and stands at the Basingstoke Festival of Transport and Rallyday at Castle Combe.

Annual Christmas Dinner.

All of the above events have been very well supported by club members and the competitive events have seen full entries.

I would like to thank the many members that we have, more than 100, for making the club very successful by consistently supporting our events.

The web site and facebook page continues to promote the club and stimulate communication. This has been a big influence on club growth and success.

Events have been financially successful achieving the objective of providing good value for money whilst contributing to a growth in club funds.

Your club is working with Southsea Motor Club to organise The Tour of Hampshire Rally in 2017.

This will be a Saturday night road rally in excess of 100 miles.

The club prides itself on a very friendly and welcoming approach encouraging & helping members to get involved in grassroots motorsport.

The committee openly welcomes ideas and suggestions because it is your club.

Finally thank you again to the brilliant committee and members.

Chris Pratt

Chairman
